Stand Up To Cancer Event

We will be holding a non-uniform day on Friday 27th April to raise money for Stand up to Cancer. The children are encouraged to wear the brightest clothes possible on this day with donations of a £1.00 each.

Concert at St Peter's

We are looking forward to the concert being held at St Peter's Church on Saturday 5th May. The choir are busy preparing with Mr Kirkland and they are excited to have the chance to perform alongside West End Stars Janette Monro and Il Destino. It is our hope that many of you will be able to come along and support the event. It is part of a fundraising effort to repair the roof at St Peter's. We have not been able to use the church as regularly as we normally do during this academic and I hope the project can be completed as it is a big part of our worship in school. If you would like to order tickets this can be done through the school office.

Grounds morning

We are holding a ground morning in school on Saturday 5th May and are looking for parents, carers and grandparents to help with some jobs around the school. This will involve some gardening, painting and tackling a few jobs around the site. It would be great to have a team of volunteers to help out, we can offer plenty of tea and cake to keep you going. If you are available please let the school office know.

Sports Fixtures

Tag Rugby

Well done to the children in years three and four who represented the school in the tag rugby tournament held at Market Harborough Rugby Football Club. The teams played well in a series of matches, scoring plenty of tries and with one of our teams reaching the semi-final. Thank you to Miss Parker and Mrs Corry for coaching and supporting the teams.

Netball

Well done to the year five and six netball team who took part in a competition held at Robert Smyth Academy. The team made great progress during the event and all of the players should be proud of their achievements. Thank you to Miss Parker for coaching the team.

School Nurse Drop in Session

The School Nurse has organised another Drop in Session on Tuesday 15th May 2018 from 3pm to 4.00pm, if you would like an appointment please contact the school office.

Yours sincerely

Stephen Roddy
