Dear Parents and Carers,

Prayer Week

The children have enjoyed the chance to take part in a range of prayer activities this week. We are very grateful to the volunteers from Kibworth Methodist Church who have organised the activities and to Rev Alison for leading our worship on Monday.

Life Education Bus

Each of the classes have enjoyed the opportunity to visit the Life Education Bus this week, taking part in different activities including looking at healthy food and life styles, as well as learning about how the body works. Thank you to FOCL's for helping to support this opportunity as an extension to our science week focus.

Cricket

Well done to the team who took part in match against Leicester Grammar Junior School this week. Thank you to Mr Baylis for coaching the team.

Sports opportunities

We have offered a brilliant range of sporting opportunities this year including house events, fixtures against other schools and many competitions and tournaments. I was disappointed to learn that we have had to pull out of two events recently due to not being able to field teams. If your child receives an invite to represent the school please return the slip as soon as possible to let us know if they will or will not be attending. This way we can offer other children the chance to participate in a timely fashion and allow the pupils to access all of the wonderful opportunities that are open to us.

Uniform orders

We have been informed by our uniform supplier that any **orders placed by Monday 18th June** will be **delivered for free to school on July 10th**. The link to uniform orders is available on the school website.

Characteristics of learning

From next week, as part of our Routes to Resilience work, we will be choosing a Character Champion for each class every week. These Champions will be picked from the class for personifying that week's characteristic of learning in their day to day lives. The 6 characteristics have been jointly chosen by the pupils and staff and are aimed at focusing the pupils on positive characteristics in their attitudes to learning. By embracing these characteristics it should then help pupils to succeed in all that they do and make them successful and resilient learners. The initial 6 characteristics are; Improving, resilience, risk-taking, curiosity, teamwork and respect.

Next week's character focus is; **Improving** – To make ourselves and the things we do better. To push ourselves to *continually* look for ways to improve our work, our actions and our skills.

We will be looking at this and discussing how it impacts upon our learning in class but it would be wonderful if you could find opportunities at home to identify when this characteristic could be used and the impact it has.

School Class Photo Orders

We recently photographed the class pictures for Church Langton School. Please find instructions below on how to view and place your order:

STEP 1: Log onto <https://swpschools.shootproof.com/churchlangtonclass18> and press Open Gallery

STEP 2: Type in your email address and the Password of **ChurchLangtonClass18**

STEP 3: You will see all the pictures that were taken. Press 'Buy Photo' if you wish to make a purchase. If you require the picture to be framed then under 'Products' a 10x7" print with mount and black wooden frame is shown.

You only have till the **27th June** to order. After this date then the pictures will not be accessible and are archived.

The final pictures will be delivered to Church Langton School the week of the 9th July
