Introduction

Free as part of Whole Education's regional offer, Learn Academies Trust will be hosting the first Leicestershire Primary Hub event of 2019. These days will provide the opportunity for teachers in the region to broker connections to a network of like minded individuals, schools and education experts.

The day will be held at Church Langton Primary School, but will contain table sessions which shine a light not only on their great practice, but that of its three fellow trust members, as well as select tables chaired by members of the wider East Midlands community.

Learn Academies Trust are dedicated to the development of excellence in learning, both for their pupils and for the adults who serve and teach them. They believe in the power of collaboration and sharing their journey. Join us for a sharing of innovation and an exploration of what it means to provide a truly *whole* education.

Agenda

12.30: Whole Education and Learn Academy Trust: Our Vision and Values

13.00: Table Sessions

13.45: Break and Refreshments

14.00: Table Sessions

14.45: Follow-up time, questions and reflections

15:15: Close

Refreshments will be available and colleagues are welcome to stay and network after the event.
