Dear Parents and Carers,

Nativity

It was a great pleasure to see the pupils in four plus, year one and year two perform *It's a Baby*. All of the children played their different parts brilliantly and we had two sold out performances to proud parents and grandparents. Thank you to all the staff who were involved in this excellent opportunity for the pupils.

Staffing

As we approach the end of term we are preparing to say goodbye to two members of staff. Mrs Manley will be leaving our school after more than six years as a teacher at Church Langton. During that time Mrs Manley has taught many different year groups, had a great impact with her leadership of maths and been part of our development of initial teacher training. All at school wish to thank her for all of her contributions and wish her success in the future.

Also leaving our team is Mrs Steniene who has worked as a lunchtime and after school club supervisor. She has made a big difference to make these parts of our day enjoyable and exciting for the pupils and we wish her well in her new role.

Swimming Gala

Congratulations to our fantastic swim team who did brilliantly at the Market Harborough gala this week. Our team achieved excellent results across the disciplines and should be proud of their achievements in this competition for the larger schools in the Market Harborough area.

Leicester High School for Girls

Thank you to the pupils and staff from Leicester High who visited to perform a Christmas themed anti-bullying play to our pupils this week, the children loved the experience.

Leicester Grammar School

The pupils in year four, five and six were treated to a performance by from Leicester Grammar School's Symphonic Wind Band. The children enjoyed hearing many Christmas tunes and were inspired to see the older pupils playing a wide range of instruments.

Unfortunately we have had to cancel the music concert which was due to be held at Leicester Grammar School next week. This collaborative event usually involves pupils from five other schools but unfortunately due to a lack of numbers taking part it has not been possible for the event to go ahead.

Worship

Thank you to Rev Rosie for leading worship in school this week. The children enjoyed hearing about the importance of love during our Christmas preparations.

Matched Funding

Do you work for a company that offers Matched Funding? Matched funding (or matched giving) is a simple way of maximising the fundraising efforts of our charity. It is an informal corporate arrangement between a company and their employee. Not all companies offer matched funding but those that do will pledge a sum of money relating to the amount their employee has raised for our charity.

For example, a parent, who works for a company that offers matched funding, volunteers to work on the refreshment stall at the summer fete. The profit made by the stall is £100. The parent's employer will then match this amount with a further £100.

We have been fortunate to have a parent come forward who is willing to match fund for us at evening and weekend events, however if there are any more parents that are also able to be involved, especially for our day time events, then we would love to hear from you. All we ask at this stage is for you to approach your employer to ask them if they operate a matched funding scheme. It's not complicated and will cost you nothing other than some time to talk to your employer and volunteering at our events when you can.

If this is something you and your employer would be willing to support us with, we would love to hear from you.
