Dear Parents and Carers,

## Trainee Teachers

We would like to say a big thank you to Mrs Allard and Mrs Connell who have completed their placements in year three and two respectively. We wish them well with their next placements.

If you, or someone you know is interested in training to become a teacher, Mrs Bastock is always keen to share the available routes and explain how our work as teaching school can support these ambitions.

## Comic Relief

Thank you for all the contributions to Comic Relief, we raised a total of £175.00.

## Year Three trip

The class had a very enjoyable trip to Flag Fen as part of their learning about the Stone Age to the Iron Age. The children uncovered artefacts in a dig, learning about the role of archaeologists and then discussed what they had found.

## Odd Sock Day

On Thursday we will be marking National Down's Syndrome Day by encouraging everyone to wear odd socks. There is no expectation of a donation to take part but if you wish to make a donation all funds raised will be going to Ups N Downs, a local charity who support young people with Downs Syndrome and their families.

## Phonics Session

Thank you to all who attended the phonics information session by Learn-AT English Leader Practitioner Sarah Walker. It has been great to hear the positive feedback from the session and the impact of the new teaching strategy we have implemented in phonics.

## Drop off and collection arrangements

A few reminders about the drop off and collection arrangements for our school.

The gates are opens at 8.40am each morning, if you are dropping your child for our school run breakfast club please bring them to the room next to the table tennis table entering the playground through the side gate.

Anyone arriving for other before school clubs should enter through hall door or reception.

The gates close at 8.55am, if pupils arrive after this time they need to be signed in at the school office and their child will be put down on the class register as late.

## Registration of your child's illness

At this time of year we do unfortunately see in an increase in the number of days when pupils are absent from school with illness. It is very important that you inform our administration staff in the morning by 9.15am of their illness and each day thereafter that your child is absent.
